

Swallow

Monolink

I thought that I saw you in a bar
I sat on the corner just to watch you from the far
But I lost your face and fell asleep
Went into a dream of echoed voices from the deep

Oh, you swallow me inside
Like the dark swallows the light
When I'm drowning in your sea

Oh, the ocean that I've cried
Is running back into my eyes
For I'm not the one you need
Oh, Laurely

And so I awoke, the night was gone
I thought that I dreamed I found a reason to move on
But I lost the words I had to say
And fell back into the dream I had the other day

Oh, you swallow me inside
Like the dark swallows the light
When I'm drowning in your sea

Oh, the ocean that I've cried
Is running back into my eyes
For I'm not the one you need

Mmm, now I don't know where to go
I don't know where to go
Can you show me where to go?
Laurely

Now I don't know where to go
I don't know where to go
You show me where to go
Laurely

I thought that I saw you in a bar
I sat on the corner just to watch you from the far
But I lost your face and fell asleep
Went into a dream of echoed voices from the deep
