

# Don't Take It Personal

Monrose

I can tell the way you stand there what you're thinkin  
Already so sure of how you think you want it to be  
We'd be more than friends from one day to the other  
Think I'd like to wait it out, till it's as crystal to me

So don't blame yourself (So don't blame yourself)  
Don't take it personal  
Let's just sit back and relax from now  
Just wait and see (Just wait and see)

If I take my time  
Don't freak  
Keep it curious  
You'll see (Just wait and see, just wait and see)  
If I'll take my time  
Don't freak  
Keep it curious  
You'll see (Just wait and see, just wait and see)

Haaaaa haaaaa haaaa

Keep that self-control in every moment  
I'll be knowin every part of you before I really let go  
Good things come in time they said it perfectly  
We'll have definitely something more when we unravel it slow

So don't blame yourself (So don't blame yourself)  
Don't take it personal  
Let's just sit back and relax from now  
Just wait and see (Just wait and see)

If I take my time  
Don't freak  
Keep it curious  
You'll see (Just wait and see, just wait and see)  
If I'll take my time  
Don't freak  
Keep it curious

You'll see (Just wait and see, just wait and see)
