

Swing With Me

Monsieur Periné

Swing with me
My heart is going to explode
If you don't move your feet
Take my hands, do me

Dance with me
Today is going to be
The day is to feel free
Kiss my lips, do me

Swing with me [x4]

Swing with me
My heart is going to explode
If you don't move your feet
Take my hands, do me

Dance with me
Today is going to be
The day is to feel free
Kiss my lips, do me

Swing with me [x4]
