I wanna love you, baby
Let me sing for you

I wanna kiss you, baby
Tell me that I'm your man
Let's walk on this street,
everyone will be jealous
You're gonna tell me
you love me today

Before the day is over
I want you to be in my arms
I want you more than anyone else
I want you baby
Every day, I want you to be my girl
I pray again today, yeah Amen

For some reason
I feel smaller when I'm in front of you
But I wanna see you now
My pounding heart beats for you
For some reason
I feel smaller when I'm in front of you
But I wanna see you now
My pounding heart beats for you

When they see your pretty eyes
How can nothing happen?
Look over there, look at all those guys
They're only staring at you

When they see your sexy legs
How can they see anything else?
Look over there, look at all those guys
They're all my enemies

Before the day is over
I want you to be in my arms
I want you more than anyone else
I want you baby
Every day, I want you to be my girl
I pray again today, yeah Amen

I want you girl
What can I do to have you?
I still can't show you all of my heart
But I can do anything for you

At least once a day, I think of your smile
I don't think I can find a girl like you anywhere else
When I think of you, my heart trembles
There is no other girl who is prettier than you

Before the day is over
I want you to be in my arms
I want you more than anyone else
I want you baby
Every day, I want you to be my girl
I pray again today, yeah Amen
