Your beautiful lie baby)
(000 0 00 beautiful lie)
000 0 00 0 like I'm blind
(000 0 00 I love your lie)

Just like how your cold eyes play with me
I get attracted to that irrejectable beautiful lie
At the end of your red tongue like the color of blood
You got sores, I will kiss that I love your lie

We go around each other, it's pretty dangerous
We get attracted to each other

Toxic, but I like it
I can't find the reason to erase you (why oh why)
My blood vessels
Full of your lies go black
(But I want it more, yeah)

Just like how your cold eyes play with me
I get attracted to that irrejectable beautiful lie
At the end of your red tongue like the color of blood
You got sores, I will kiss that I love your lie

Love me love me love me and
Tell me tell me tell me
Just like how I want you do you want me?
I like when I'm in danger
Love me harder or else shut it shut it
I feel like I don't like basic
Is this what you call lovesick?
I swallow even this fake love inside my throat

Deeply engraved tattoo (hoo)
Battle between pain and happiness (hoo)
Doo doo doo doo
In my black heart
We are in part 2
This is the extension of war
Your lips are a sweet tramp
Plot twist of this emotion
Please arrest me

Toxic, so addictive
The one reason you got me crazy (Why oh why)
Your lie that
Completely destroyed me
(But I want it more, yeah)

I'm in pain, still in pain
It doesn't get better, this is a failed emotion
All your love methods are trap trap trap
Selfish thought

Woo woo woo
Painful sickness is fine art for you
Tell me you love me, it's ok if it's a lie
Or I might die right now

It's dangerous
Darkening danger sign
I can't stop you, til I die

About to swallow all your quiet eyes
I get attracted to you so that I can't escape you beautiful lie
At the end of our red story like blood
I can't escape you I love your lie

It's dangerous so I like it even more
(It's dangerous so I like it even more
Your beautiful lie baby)
(Irrejectable beautiful lie)
I even forgot myself I'm blind
(I kiss you I love your lie)
