English Translation

Why is it you? I'm going crazy
What is this? I think I've fallen for you
All day, in my head
Round and round it goes
A question mark, every day
I know you have thorns
But I want you, red rose
Because of the thorns
A beautiful rose can bloom
Dark red flowers, it means I love you
Even if I bleed everywhere, I wanna know you
Cause I think about you errday
I'm already addicted to you
When you touch me, my entire body reacts
I can only live if you're here
Every day, every night
I can feel you
You're so beautiful
I can't take my eyes off you
Like a thorn on a flower
I know I'll get pricked but I want you
So beautiful, so beautiful
You're so pretty, so beautiful it makes me sad
Too beautiful to handle
Two fingers thumbs up
You make me say words of awe, you take away my right mind
I think I'll go crazy
When I smell your scent
It spreads, it grows
I'm addicted
I'm prickled, hurt
It's between love and pain
You're so awesome
Don't give out secret looks
Don't smile at me
My head says no
But my heart says, oh yes
I'm going crazy
I don't know, I'm going all-in
When you touch me, my entire body reacts
I can only live if you're here
Every day, every night
I can feel you
You're so beautiful
I can't take my eyes off you
Like a thorn on a flower
I know I'll get pricked but I want you
So beautiful, so beautiful
You're so pretty, so beautiful it makes me sad
Too beautiful to handle
I know I can't ever have you
I know you're more beautiful when I only look
I'll protect you, so you can bloom more beautifully
(Ma one & only baby)
I don't care if I get hurt
Cause you're ma

One & only beautiful
You're so beautiful
I can't take my eyes off you
Like a thorn on a flower
I know I'll get pricked but I want you
So beautiful, so beautiful
You're so pretty, so beautiful it makes me sad
Too beautiful to handle
