Champion champion

If it's for you
I could easily endure anything
I am ready so
(Just believe)
I wanna be stronger

Than the me of yesterday
Watch over me
I can make it
(I can make it)
I laid everything down
I have nothing to lose
(I'm ready, from now on, fight for love
This heat is getting hotter and hotter)

Out of all the people who are cheering
I only need you
(Ring the bell)
(I'm gonna fight for love)

I've never been this earnest
Before in my life
Even if I fall, I can never give up
(Even if I fall again)
The shape of your mouth makes me get up
My goddess
Bring me victory
Cause I'm a champion champion

Cause I'm a fighter fighter
Hands up higher higher
This place is on fire, fire
Champion, champion
Cause I'm a fighter fighter
Hands up higher higher
This place is on fire, fire
Champion champion

This game just got more fun
No, it's perfect
(Don't worry about me, I'm still good)
(Now next next next)

Feels like the world is under my feet
(Put your hopes on me)
(I'll be standing right in front of you)

Out of all the people who are cheering
I only need you
(Ring the bell)
(I'm gonna fight for love)

I've never been this earnest
Before in my life
Even if I fall, I can never give up
(Even if I fall again)
The shape of your mouth makes me get up
My goddess
Bring me victory
Cause I'm a champion champion

Yes I'm a champion
Because I can knock down whoever it is
Call me a fighter
The atmosphere is hot, the tension is higher
The temperature of my flowing sweat is hot
If this heat reaches you
I'm a fighter fighter
Even if I get kicked down

I'll get up, this place is heating up
I won't rest but I'll just run
My eyes are on fire
Who can stop me?
I don't even need an opponent
Now I'll swing a punch

I've never been this earnest
Before in my life
Even if I fall, I can never give up
(Even if I fall again)
The shape of your mouth makes me get up
My goddess
Bring me victory
Cause I'm a champion champion

I'm your fighter fighter
Higher higher higher
Inside you is a fire, fire
Champion champion
