Oh you give me a heart attack
Oh you give me a heart attack
Oh you give me a heart attack
Baby give me a heart attack

I'm thirsty and heartbroken
I feel sick
Boom Boom Yeah It's a heart attack
Doo doo like gun play
Heart snip uh properly double
You are already threefold
Grab this game I'm in your defeat
I have the penalty
The game is sometimes hhhh

You know what that trembles now
Your breath is stingy
Do not hide
I'll change that boring love

Board Shot
First love you were looking for
I love your final love
You will never forget
Heart attack
Focus on me

Unappealing
Leave me crazy as it is to me
Heart attack give me a heart attack
Take care of me
Call an ambulance
My heart should gotta pump it up
The moment I looked at you
Do not you dare
So the body reacts first
After the heart stops
Baby, stop the road
Hey I do not need your phone num
Just wanna talk yeah yeah yeah
Hey I can give u a heart attack
On the contrary, I'll ask you again

I was in your eyes
I can not get out of the first impression
Do not miss this. Do not be surprised
I'll dig you

Board Shot
First love you were looking for
I love your final love
You will never forget
Heart attack
Focus on me

Unappealing
Leave me crazy as it is to me
Heart attack give me a heart attack
Take care of me

Oh you give me a heart attack
Oh you give me a heart attack
Oh you give me a heart attack
Heart attack that can not be denied

Oh you give me a heart attack
Oh you give me a heart attack
Oh you give me a heart attack
Heart attack that can not be denied

Heart attack heart attack
In your love
Heart attack heart attack
Fill me up
If your love is not for me
I'll show you my absolute love
You already have me

From the unbelievers
At the height of the peak
You can only give heart attack
Still love still love
Even if I throw away everything
Love never miss this
Heart attack give me a heart attack
You and me

Oh you give me a heart attack
Oh you give me a heart attack
Oh you give me a heart attack
Heart attack that can not be denied

Oh you give me a heart attack
Oh you give me a heart attack
Oh you give me a heart attack
Heart attack that can not be denied
