I don't want to hurt you but I have to tell you now
It's not easy to hide my heart
I know you feel deceived, I'm trying to end it
You used to smile brightly but now
I'm gonna make you cry for the last time
Everything changes like morning becoming night
When that night passes, just like another day repeats
That feeling comes to me every day
Like waking up in the morning
So I'm gonna erase you completely
I'm sorry
I was so happy looking
At you all day, every day

I was so happy listening to your stories
I guess time is up now
I guess we're the same as others
Now even when
You're telling me interesting stories,
I'm only nodding

Oh ah, I loved you more
Than anyone else
You were the most beautiful girl in the universe
What exactly happened to me?
I wanna turn back time

Should I be honest?
(You know too, that I feel nothing
When I see you)
Should I be honest?
Don't be surprised,
I'm gonna make you cry
Should I be honest?
(Without knowing anything,
Your eyes are filled with me)
Should I be honest?
You're smiling like a fool

I see you over there, arrived first
With a bright smiling face
The fastly rewinding times with you
Have stopped now
I'm looking at it again and my frozen heart is melting
You were my spring but I pushed you away
I left you all alone when you were so kind
Just when I started regretting,
You held my hand and said
(I waited for a long time, hurry and come)

Oh ah, I loved you more than anyone else
You were the most beautiful girl in the universe
What exactly happened to me?
I wanna turn back time

Should I be honest?
(It doesn't make sense,
Trying to let go of all that time)
Should I be honest?
Don't be surprised,
I'm gonna make you cry
Should I be honest?
(Without knowing anything,
Your eyes are filled with me)
Should I be honest?
You're smiling like a fool

Today, you're the same as yesterday, only I'm different
(I think I'm crazy, I was deceived
By familiarity and let you go)
I really didn't know I'd have these feelings
(Actually, it's just momentary,
I just wanted you to melt me)

Should I be honest?
(It doesn't make sense,
Trying to let go of all that time)

Should I be honest?
Don't be surprised,
I'm gonna make you cry
Should I be honest?
(Without knowing anything,
Your eyes are filled with me)
Should I be honest?
You're smiling like a fool
