Baby, if only I could hold onto the time
I have no idea if the sun is setting or rising, I want to hide it
In this moment of extreme happiness
Seems like the world is spinning backwards
I've been quite vague for ages
I found a clue to my feelings

It's you-ooh-ooh, you-ooh-ooh
If you say it's a dream, I won't wake up
Leave everything to me at this moment
If I'm just with

You-hoo-hoo-ooh-ooh, you-ooh-ooh-hoo
If I'm just with
You-hoo-hoo-ooh-ooh, you-ooh-ooh-hoo
If I'm just with
You-hoo-hoo-ooh-ooh, you-ooh-ooh-hoo
Just with you
If you say it's a dream, I won't wake up
Leave everything to me at this moment, baby
If I'm just with
You-hoo-hoo-ooh-ooh, you-ooh-ooh-hoo
If I'm just with
You-hoo-hoo-ooh-ooh, you-ooh-ooh-hoo
If I'm just with
You-hoo-hoo-ooh-ooh, you-ooh-ooh-hoo
Just with you
If you say it's a dream, I won't wake up
Leave everything to me at this moment, baby

Baby, close the clock's spring, close again, close again
I'll fill the time of eternity endlessly, I'm all over you
In a instant moment, feels like I've found-
A piece of happiness between you and me
I think I found myself in this reality that I've been denying

It's you-ooh-ooh, you-ooh-ooh
If you say it's a dream, I won't wake up
Leave everything to me at this moment
If I'm just with

You-hoo-hoo-ooh-ooh, you-ooh-ooh-hoo
If I'm just with
You-hoo-hoo-ooh-ooh, you-ooh-ooh-hoo
If I'm just with
You-hoo-hoo-ooh-ooh, you-ooh-ooh-hoo
Just with you
If you say it's a dream, I won't wake up
Leave everything to me at this moment, baby

Even when I close my eyes, it's distinct
I can feel it even if I don't touch it
I can take you to there, baby
A world just for the two of us
A paradise where the sun never sets
If I'm just with

You-hoo-hoo-ooh-ooh, you-ooh-ooh-hoo (Huh)
If I'm just with (Oh, you)
You-hoo-hoo-ooh-ooh, you-ooh-ooh-hoo
If I'm just with
You-hoo-hoo-ooh-ooh, you-ooh-ooh-hoo (Oh-hey)
Just with you
If you say it's a dream, I won't wake up
