(Do it, do it) We don't care, we go where  
(Do it, do it) We're livin' like slow motion

(Do it, do it) We don't care, we go where  
We're livin' like slow motion

Ready to go let's go  
Cross your arms by my side and stand up  
Where even time has stopped  
Imagine close your eyes

When tomorrow comes, we get farther away  
Pretend you don't know from now on  
Love and fest all you have to do  
Love and fest

Dancing with you  
(Be with you, be with you, be with you)  
I keep pace with you, we're on the moon  
(On the moon, on the moon, on the moon)  
Together Merry-go-round and around (ay)

Smile, it's dazzling (oh)  
Feel the affection (oh)  
Like a Carnival dream  
On and on, and on and on, and

Do it, do it, the moon as a light, get set  
Do it, do it, the music sounds a little louder  
Do it, do it, keep dancing  
On and on, and on and on, and

Do it, do it, on the night trying to brighten up  
Do it, do it, I'll cover it with my whole body  
Do it, do it, dance all night long  
On and on, and on and on, and

Don't see our eyes like now  
Instead, I'll hold you tight baby  
The rhythm is faster, the end is farther away  
One word torn in a dictionary is tomorrow

Ah ah ah or pretend that you and I first met  
Will the whole world just trick me?  
The beast that fell in love at first sight, it's me

I go to you tonight, say it

Oh, hi there beauty, shall we dance? Once again

Dancing with you

(Dancin' with you, Dancin' Dancin' with you)

I keep pace with you, we're on the moon

Together Merry-go-round and around (ay)

Smile, it's dazzling (oh)

Feel the affection (oh)

Like a Carnival dream

On and on, and on and on, and

Do it, do it, the moon as a light, get set

Do it, do it, the music sounds a little louder

Do it, do it, keep dancing

On and on, and on and on, and

Do it, do it, on the night trying to brighten up

Do it, do it, I'll cover it with my whole body

Do it, do it, dance all night long

On and on, and on and on, and

(Do it, do it)

(Do it, do it)

(Do it, do it) We don't care, we go where

(Do it, do it) We're livin' like slow motion

(Do it, do it) We don't care, we go where

We're livin' like slow motion
