(0000 0)

Hush, hush, I'ma take you down
Oh I'm sorry, did I make you anxious?

Got room for one more
Oh I'm sorry, did I make you anxious?

Move in a subtle way like swish
Like hunting for prey by holding his breath
We are flying in the repeated fights
Turn off the red siren, now you and me shhhh

I have no senses, no more pain
Anyway you and I love or hate
I want and hate like crazy
Imma slay, Imma chill, Imma kill

From now on
Pull the trigger ya, pull it up
We're all psycho, halfway I'm crazy
Dudududu dudududu dudududu

Throw everything (ya) (see the end, see the end)
Now take a shot (Take a shot)
Take a shot
No bad feelings (Check 'em out, check 'em out)
Now take a shot
Enough, enough

It's cruel and beautiful, love killa, love killa
Beautiful love killa, love killa
Beautiful love killa, love killa
Beautiful love killa, love killa
(I fall in)

That's right, you look at my eyes
Straight into my eyes and just say

I want you eat me like a main dish
It's hot, it looks like it's hot, hottish
It ain't cliché, the obvious ending pass it
I want something more provocative hot (shhhh)

Sharpen it sharper
I'm a sava savage, your love is rare

Easily satisfy you, umm even if you're similar
Imma slay, Imma chill, Imma kill

From now on
Pull the trigger ya, pull it up
We're all psycho, fantastic fighter
Dudududu dudududu dudududu

Throw everything (ya) (see the end, see the end)
Now take a shot (Take a shot)
Take a shot
No bad feelings (Check 'em out, check 'em out)
Now take a shot
Enough, enough

It's cruel and beautiful, love killa, love killa
Beautiful love killa, love killa
Beautiful love killa, love killa
The moment we aim at each other (I fall in)

You know we never let each other go
Someone who can handle this kind of love
You know that yeah

You always (see the end, see the end)
I'm not bad either
No bad feelings (Check 'em out, check 'em out)
Now, what's next

It's cruel and beautiful, love killa, love killa
Beautiful love killa, love killa
Beautiful love killa, love killa
The moment we aim at each other

It's cruel and beautiful, love killa, love killa
Beautiful love killa, love killa
Beautiful love killa, love killa
Beautiful love killa, love killa
(I fall in)

Hush hush, Imma take you down
Oh I'm sorry, did I make you anxious?
