Magnetic

MONSTA X

I'm givin it up baby
That tryin to resist what's automatic, anyway

Not givin it up babe
Cuz when you come around I gotta have it
So whatcha think about that?

Puedo alejarme yo siempre caigo en la tentacion
Baby perderme en tus ojos no fue mi decision
Una mirada que solo habia visto en television
No pelemos con la ley de la atraction

Your touch is magnetic
Cuz I can't forget it
(There's a power pullin me back to you)

And baby I'll let it
Cuz you're so magnetic I get it
(When I'm waking up with you, oh)

Como un iman nuestros labios se pegan
Besos vienen y se van
Pero aqui se quedaran cuando tu estas
Todo se vuelve posible
Por que tu cuerpo increible
Tiene una cosa que a mi me llama
Como un iman invisible
Oh

Cuz I'm sold on what your love means to me

Forces of nature takin my breath away
You make me wanna say oh

Your touch is magnetic
Cuz I can't forget it

Ay no coma, I just wanna feel the flama on your body
And perspire like a magma, ayy
Baby, I can feel the vibration when you call me so
Let me make a new karma
Lo nuestro es fuego
Answer my questions 'cause I'm getting so loco (Woo, woo)
Don't ask about it, but I can tell you this is all about magnetic

Your touch is magnetic
Cuz I can't forget it
Your touch is magnetic
Cuz I can't forget it
(Uh yeah)

There's a power pullin me back to you
And baby I'll let it
(I'll let it)
Cuz you're so magnetic I get it
When I'm waking up with you, oh
(I said it I said it)

Magnetic touch, you and me, yeah
I feel it over, over
You know
And baby I'll let it
(Yeah)
Cuz you're so magnetic I get it
(For sure)
