

One Day

MONSTA X

Holding my breath and then I count to ten
On to the next, that's what my mother said
All of my friends, they never liked you
But they never knew you like I do

They say hindsight's 20/20
Maybe I'll, maybe I'll see it one day, one day, one day, I will
Yeah, I wish I could've made you love me
Maybe I'll, maybe I'll feel it one day, one day, one day, I will
l

But right now I'm drunk, right now I'm wasted
Spilling out my guts to the ghosts in our apartment

They say hindsight's 20/20
Maybe I'll, maybe I'll see it one day, one day, one day, I will

Hey
Yeah, maybe I will
Yeah, maybe I will
Yeah, maybe I will

I try to forget you, how your body felt
Your head on my chest, that summer in the hills
I wish you the best with somebody new
But they'll never love ya like I do

They say hindsight's 20/20
Maybe I'll, maybe I'll see it one day, one day, one day, I will
Yeah, I wish I could've made you love me
Maybe I'll, maybe I'll feel it one day, one day, one day, I will
l

But right now I'm drunk, right now I'm wasted
Spilling out my guts to the ghosts in our apartment

They say hindsight's 20/20
Maybe I'll, maybe I'll see it one day, one day, one day, I will

Hey
Yeah, maybe I will
Yeah, maybe I will
Yeah, maybe I will
