Rush hour High tower that's thick like a forest
Competition and fight, we are riders who run to the end

JOOHONEY 1 HUNNIT

Hitting the gear on the heavy traffic of the city Only looking forward, no back back

Competition is always thrilling There is no doubt, no cap cap

This is my reality (uh)

There is nothing that is impossible, ability (uh)

What is hidden on the back stages are duality (uh)

Everything is just like a decoration, quality (huh)

Push it to the limit Hit it like you are going to break it yeah

Rush it to the finish Hit it until the end yeah

Push with double the power

Toward you, pedal to the metal

The game of a chaotic world

A never ending, cold-blooded battle

Don't stop what you're feeling

Turn the engine on, bang bang

Follow me, the speed limit Getting heated up, the pace

Gotta run to the top (rush hour hour)

Run to the top (rush hour hour)

Now baby go DASH upward DASH upward

DASH upward (Yayayaya)

DASH upward DASH upward

Baby we're just getting started now

Hitting the gear on the heavy traffic of the city

Only looking forward, no back back

Competition is always thrilling, There is no doubt, no cap cap

Get down, get down, get down

Come on

No cap, this is our new area

The boomerang that flies back just before it gets out of our mind

We fly high

Our competitor looking like a dwarf Unnecessary fighting

Hate to spend time when you're frontin'

They hesitate when I'm comin'

Worthless to even give a glance, your gimmick

The rich are the greedy Just us hah

I ain't got no limit Hit it like you are crazy yeah

Now it's time to kill it Hit that thing as hard as you can yeah

Push with double the power

Toward you, pedal to the metal

Inside this chaotic chaos say

Follow me, the speed limit Getting heated up, the pace

Gotta run to the top (rush hour hour)

Run to the top (rush hour hour)

Now baby go DASH upward DASH upward

DASH upward (Yayayaya)

DASH upward DASH upward

Baby we're just getting started now

The already heated red zone
Already overloaded red ocean
The jungle-like city (hoo)
A speedy entrance to the speed zone

Over the limit, heighten the speed
Others are invisible, bypass
What's good to the world
This place is too crowded Heading toward a larger space, movin'
Eat this

It has begun, no limit Everything has been destroyed
We run to the top (rush hour hour)
We shoot it out with anyone (rush hour hour)
