

## Secrets

MONSTA X

Yeah, yeah  
Yeah, yeah  
Oh-oh, oh, oh

We went from strangers to lovers so fast  
We caught on fire and we burnt the past away  
Pieces and pieces of us on the floor  
Oh, we said enough and now there's nothing more to say (Oh-oh, oh)

Let's start from scratch, let's do this right  
Don't overthink it, don't overthink it  
We've both been hurt a thousand times  
But this could be different, different, different

Don't tell me your secrets, I don't wanna know  
It's hard to imagine you before  
Don't tell me your secrets, just leave them behind  
'Cause I can't imagine what you'll think of mine  
(Ooh, oh-oh, oh)

It doesn't matter (Yeah)  
No it doesn't matter (Yeah)  
None of it matters  
Tell me, tell me, tell me, tell me nothing more  
It doesn't matter (Yeah)  
No it doesn't matter (Yeah)  
None of it matters  
Tell me, tell me, tell me, tell me nothing more

But tell me a story that I've never heard  
With all of your body and none of your words, baby (Oh-oh, oh)  
'Cause you've done some things and so have I  
Can we leave it there, just for the night, okay?  
(Okay, ooh-ooh, ooh-ooh, yeah)

Let's start from scratch, let's do this right  
Don't overthink it (Oh), don't overthink it (No)  
We've both been hurt a thousand times  
But this could be different, different, different

Don't tell me your secrets, I don't wanna know  
(I don't wanna know)  
It's hard to imagine you before  
Don't tell me your secrets, just leave them behind  
'Cause I can't imagine what you'll think of mine

It doesn't matter (Yeah)  
No it doesn't matter (Yeah, oh, oh, oh)  
None of it matters  
Tell me, tell me, tell me, tell me nothing more  
It doesn't matter (Yeah, oh, oh)  
No it doesn't matter (Yeah, oh, oh-oh, oh)  
None of it matters  
Tell me, tell me, tell me, tell me nothing more  
(Tell me, tell me, tell me, tell me nothing more)

Yeah, yeah (Tell me nothing more)

Tell me, tell me, tell me, tell me nothing more (More)  
Yeah, yeah  
Yeah, yeah  
Tell me, tell me, tell me, tell me nothing more (More)
