

# Shoot Out

MONSTA X

Walker, walker, walker, growling  
(Walker, walker, walker)  
Walker, walker, walker, growling  
(Walker, walker, walker)

Excuse me, I'm walkin' like zombie uh  
Freakin' and flippin' out  
I'm electrified it's shockin' uh  
What a, what a day  
You holdin' a gun against me  
Blackout blackout huh huh  
Ya wanna crush me over  
With a choppa choppa  
Blakk blakk blakk  
Can't block block block  
You're blah blah blah stop ta, talk(ing)  
Blow it up with a boom poison  
On my mouth pop pop pop  
Never gonna stop this  
I don't care even if you cry  
Ain't got any time for ya  
Just gonna make it drop

A broken soul, it's scattered  
Walking this long dark road  
With a stagger  
Lost and so agoni-i-i-i-ized  
Dry for your lo-o-o-ve  
Through the night I'm waiting  
For the savior  
Cause your love cuts through  
My heart like a razor  
In the darkness, losing my way  
Giving my breath away

Love's like a shoot-out  
Shoot-out, shoot-out  
Reckless shoot-out  
Shoot-out, shoot-out  
If this is already over  
If there's nothing to restore  
Hope has no meaning to me  
No more  
Love's like a shoot-out  
Shoot-out, shoot-out  
Reckless shoot-out  
Shoot-out, shoot-out  
Don't tell me your lies once again  
Look who's the killer killer killer  
(Shoot me down and dead)

Walker, walker, walker, growling  
(Walker, walker, walker)  
Walker, walker, walker, growling  
(Walker, walker, walker)

I ain't no mercy, primacy

I can promise it oh  
Hold on take your time  
Gonna make that rip it up  
Like a beast ya  
Grrrrr bang bang pierce  
Through my heart now  
Brrrrr tough like  
Stretched-to-the-max bow  
Brrrrr stresses, brrrrrr shakin'  
Can't recover from the damage

Ever since you came into my world  
Scratches are everywhere  
I'm a bleeder  
Lost and so agoni-i-i-i-ized  
Dry for your lo-o-o-ove  
Through the night I'm waiting  
For the savior  
Cause your love cuts through  
My heart like a razor  
In the darkness, losing my way  
Giving my breath away

Love's like a shoot-out, shoot-out  
Shoot-out  
Reckless shoot-out, shoot-out  
Shoot-out  
If this is already over  
If there's nothing to restore  
Hope has no meaning to me no more  
Love's like a shoot-out, shoot-out  
Shoot-out  
Reckless shoot-out, shoot-out  
Shoot-out  
Don't tell me your lies once again  
Look who's the killer killer killer  
(Shoot me down and dead)

Fire  
Why you hesitating  
Shoot your gun and end it  
Kill me like you meant it  
Fire  
Set me free from all this pain  
Cause I can't stand it

Love's like a shoot-out, shoot-out  
Shoot-out  
Reckless shoot-out, shoot-out  
Shoot-out  
If this is already over  
If there's nothing to restore  
Hope has no meaning to me no more  
Love's like a shoot-out, shoot-out  
Shoot-out  
Reckless shoot-out, shoot-out, shoot-out  
Don't tell me your lies once again  
Look who's the killer killer killer  
(Shoot me down and dead)
