Okay man 2016! Wait, let's go!
You know that I care about you a lot
That I get nervous even if I close my eyes for a second
When I look at you, feels like I'll run out of breath
How are you so chillingly pretty?

1 minute and 1 second
feel like endless hell
All other guys
look like the devil to me
What're you so happy about, brightly smiling like that
What do I do with you?

I completely fell for you
I can't help but to get greedy
The more I look at you, the greedier I get
I'm curious about everything about you

I'm not like this to other girls
My eyes are only fixed on you
I close my eyes but I see you
I'm not gonna hesitate anymore
I really made up my mind

From today, I'm

Only obsessed with you
But I'm not dangerous so baby don't worry
I'm only obsessed with you
If I can have you, I'll do anything
I don't think I can do anything without you
I can't live a day without you
I'm gonna try to handle you
I'm not dangerous so baby don't worry

Hurry and tell me, I'm an impatient guy
I want all of you uh you're be best
When you lift your thumb
I'll be the first to go
If this makes you cringe, get out of the way
Cuz she's mine from now on
Girl, stay right next to me so you won't go anywhere else
Because I'm gonna be yours now
I don't need love
I just wanna get you. I'm obsessed
All other girls are rocks, I can't see them
Oh god but you're a sculpture
I'm losing my mind but you're still bright
I wanna look somewhere else but you steal my eyes
I'm running out of breath. It's because of you

You have all of the prettiness
I can't help but be worried
Are you sick? Did you meet someone today?
I'm just curious about everything about you

Even if I lose everything else. I'm ready
My eyes are only fixed on you
I close my eyes but I see you
I'm not gonna hesitate anymore
I really made up my mind
From today, I'm

Only obsessed with you
But I'm not dangerous so baby don't worry
I'm only obsessed with you
If I can have you, I'll do anything
I don't think I can do anything without you
I can't live a day without you
I'm gonna try to handle you
I'm not dangerous so baby don't worry

Only obsessed with you
But I'm not dangerous so baby don't worry
I'm only obsessed with you
If I can have you, I'll do anything
I don't think I can do anything without you
I can't live a day without you
I'm gonna try to handle you
I'm not dangerous so baby don't worry
