Girl I always by your side
I always love you everyday
My lovely girl don't look at me like that
I'm getting shy
Your lovable dimples, someone please look
You're seriously so cute

Your thick eyebrows
Your soft, white, cotton face
What do I do?

She's like white sugar
Love me
She's like white sugar
Adore me

Lovely girl Please look at me
Don't fly past me like the soft spring wind
I wanna stay with you and love you
You're a flower, I'm softly melting at your scent
Oh my god what do I do?
I just like you
My hardened heart is blossoming
If only your footsteps will come to me now
That's how our spring will start

My soft love
Please go out with me to that cafe
I can't leave you alone
Because it feels like
you'll blow away with the wind, girl
What other words are needed?
I'm kind of obsessed with you
I can say words that make you cringe (really?)
Hey, come to me now

She's like white sugar
Melt me
She's like white sugar
Love me

She's like white sugar
Melt me
She's like white sugar
Love me

She's like white sugar
(She's like white sugar)
Love me
(I wanna love you baby)
She's like white sugar
(So sweet my baby)
Adore me
(So sweet my baby)

So sweet my baby

She's like white sugar
Melt me
