

# Don't Tell Me How To Live

Monster Truck

I am the story of a man  
Who makes his way on his own  
Don't need no kinda direction from no one  
I got myself a pretty old soul.  
Ain't nobody gonna tell me how to live

I am a giant of a man  
I do what I please  
I got respect for all that's around me  
And expect the same for me  
So go ahead, do what you want  
Whatever your release  
I'm just looking for a little quiet  
And my own kind of peace  
Ain't nobody gonna tell me how to live

[Chorus:]

Oh, I'm gonna soar like an eagle  
My wings will carry me away  
I got the heart of a lion  
And I get stronger everyday

I like the finer things in life  
At least what's fine to me  
I got music and people to love  
That sure does suit my needs, yeah  
Singin' that song with my babydoll  
And a little bit of weed  
Ain't nobody gonna tell me how to live  
Ain't nobody gonna tell me how to live

[Chorus]

Oh, I'm gonna soar like an eagle  
My wings will carry me away  
I got the heart of a lion  
And I know what kinda man I am  
I'm gon' do it  
Right  
I'm gonna do it right  
Whoa yeah!

Ain't nobody gonna tell me how to live
