

Enjoy The Time

Monster Truck

I have a love who's good to me,
She keeps me warm inside my bed at night.
I have a lot of company,
Some real good friends, they always make me feel alright.
And I know that I'm a lucky man,
I count my blessings each and every day.
And I hope that you do understand,
I hope that all these things'll come your way

Oh yeah, oh you know,

Bad things happen to good people.
Things aren't always there, no oh.
No no, the stories all come to soon.
It's better to just lay back and

Enjoy the times we had.
Enjoy the times we had,
Before they're gone away, yeah.
Alright, before they're gone away.

Live your life honestly,
Cherish every single breath you take.
Things won't always be the same,
Tomorrow will be different when you wake, ah yeah.

Oh you know,

Enjoy the times we had.
Enjoy the times we had.
Enjoy the times we had.
Enjoy the times we had,
Before they're gone awaaaaaay-ay-ay-ay-ay-ay
Gone away, yeah.
Oh yeah!

Enjoy the times we had.
Enjoy the times we had, yeah.
Enjoy the times we had.
Enjoy the times we had, oh yeah.
Enjoy the times we had, yeah.
Enjoy the times we had.
Enjoy the times we had, yeah.
Enjoy the times we had,
Before they're gone away.

"Alright, that's it!
That's it, it's over!"
"It's uploaded to iTunes"
"It's fuckin over everyone,
That's it!"
"Sit Ubu, sit!"
"Except I probably have to play all of my parts over again... oh well."
