

# Radiated

## Monstrosity

Proliferate  
Proliferate  
On blackened blood they leech  
Their lurid contempt  
In self righteous speech  
Manifested rage infernal  
Spread amongst the dying human cattle

Eclipse of death  
Unveils the brooding horror  
Deteriorates the flesh of the atramentous mind  
Killing the future  
From the past in flames  
Propagated empty soul  
Radiated from this world

Blood  
Bleeding you fail  
Suffering the death you've sown

Abysmal plague  
Of rage  
Abhorrent hate  
Destruction

Radiated Contempt  
For your self perpetuated lies

Abysmal plague  
Of rage  
Abhorrent hate  
Destruction
