

## keep going!

Montaigne

I keep them all in the cupboard  
It's almost been 15 years  
I've written my thoughts for most of my life  
Just to be sure I'm real

Yeah, I hope you see me  
You understand me  
Living completely  
Was so sad then

Keep going  
Keep going  
You'll push yourself harder yet  
You know  
You know  
You'll wish you would not forget

Stare at the ceiling  
Your piece of nothing  
Memory revealing  
I think there's something  
Keep going  
Keep going  
Keep going  
Keep going...
