

Lonely

Montaigne

I do not think have the time for drinking
I barely have reason for calling
I think it's just because I'm lonely

The space between us cause I'm stalling
You want the blood inside my veins
To lick it out and know the taste

I'm trying to design myself
To find some sugar in the ways

I cannot be by myself
I cannot be by myself
I cannot be by myself
I cannot be by myself
I may be all by myself
I may belong to myself
I don't care much for myself
I don't even know myself

Somebody
Somebody Tell me what to do
I just want to be far away
Far away
I don't wanna see myself through you
I just want to be far away
Far away

I can't imagine how your hands are thinking
That they could crush my fragile skull
Into your worst you could be sinking
I don't think it's impossible
I try to keep away from things destructive
I cannot seem to get away
I don't think I will be corrupted
So let's pretend that makes it all okay

I cannot be by myself
I cannot be by myself
I cannot be by myself
I cannot be by myself
Let me be all by myself
Let me belong to myself
I don't care much for myself
I don't even know myself

Somebody
Somebody, Tell me what to do
I just want to be far away
Far away
I don't wanna see myself through you
I just want to be far away
Far away

I cannot be by myself
I cannot be by myself
I cannot be by myself

I cannot be by myself
Let me be all by myself
Let me belong to myself
I don't care much for myself
I don't even know myself
I cannot be by myself
I cannot be by myself
I cannot be by myself
I cannot be by myself
Let me be all by myself
Let me belong to myself
I don't care much for myself
I don't even know myself
I cannot be by myself
I cannot be by myself
I cannot be by myself
I cannot be by myself
Let me be all by myself
Let me belong to myself
I don't care much for myself
I don't even know myself

Somebody
Somebody, Tell me what to do
I just want to be far away
Far away
I don't
I don't wanna see myself through you
I just want to be far away
Far away
Somebody, Somebody
Tell me what to do
I just want to be far away
Far away
