

READY

Montaigne

I, I guess I'm frustrated
Thinking about all the places
I should've been by now
And I'm endlessly waiting
Feel like the barrel of dynamite
Waiting for flame to come 'round

I need a little spark
A light in bitter dark
I think I'm ready to go
I think I'm ready
I think I'm ready to go
I think I'm ready

And I, I'm out on the wind
So catch my wings
I think I'm ready to go
I think I'm ready
I think I'm ready to go
I think I'm ready
And I'm at the edge of the cliff
So let's begin
I think I'm ready to go
I think I'm ready
I'm ready to begin again

I'm so sick of sinking in malaise
Brush the dust off of my shoulder
I know that I can do better
Take me to the final stage
Gimme, gimme equal wage
I am no longer afraid
(Afraid)

I need a little spark
(I need a little spark)
A light in bitter dark
(A light in bitter dark)
I think I'm ready to go
I think I'm ready
I think I'm ready to go
I think I'm ready

And I, I'm out on the wind
So catch my wings
I think I'm ready to go
I think I'm ready
I think I'm ready to go
I think I'm ready
And I'm at the edge of the cliff
So let's begin
I think I'm ready to go
I think I'm ready
I'm ready to begin again

I think I'm ready to go
I think I'm ready

I think I'm ready to go
I think I'm ready
I think I'm ready to go
I think I'm ready
I think I'm ready to go
I think I'm ready

And I, I'm out on the wind
So catch my wings
I think I'm ready to go
I think I'm ready
I think I'm ready to go
I think I'm ready
(I think I'm ready to go)
And I'm at the edge of the cliff
(At the edge of the cliff)
So let's begin
I think I'm ready to go
I think I'm ready
I'm ready to begin again
(I'm ready to begin again)

I think I'm ready to go
I think I'm ready
I think I'm ready to go
I think I'm ready
I think I'm ready to go
I think I'm ready
I think I'm ready to go
I think I'm ready
