Shorty squeezin' that trigger, til that mutha fucka empty
That's just how he do it, he know what he doin'
Once he off that 40, ain't no talkin' bitch he shootin'
Tear drops all in his face and in his trigger fingers
All he need is his 40 and his trigger fingers
Fuck a fuck nigga and fuck what that nigga thinkin'
Come to his spot and air him out, leave that nigga stinkin'

It ain't nothin' but that bullshit on shorty brain
Don't think that shorty playin', look how shorty came

Prolly in a black wing, he hop up out that hooptee
Then he get excited, cause you niggas look like groupies
All you niggas pussy, watch that 40 cal eat coochie
Where shorty from my nigga everyday is doomsday
So he stay with that 40 like they roommates
Hit up the block and let that mutha fuckin tool spray
And leave all you niggas lyin', April fool's day
He be on that killa shit, shorty far from innocent
You know what the business is, one of yo niggas been a vic
Right now you fuckin with a nigga that don't give a fuck
