Montell Fish

Teach me how to love
How to love like You

Teach me how to love like You
'Cause I wanna know how to love like You
Teach how to love, oh God
I need You to show me
I need You to grow me, yeah
Teach me how to love

Teach me how to love like You
Love like You, love like You
'Cause I wanna know how to love like You
Love like You, love like You
Teach me how to love like You
Love like You, love like You
'Cause I wanna know how to love like You
Whoa God, teach us, teach me

And though I have the gift of prophesy and understand all mysteries and all knowledge
And though I have all faith so that I can remove mountains
And have not charity
I am nothing

And this ain't too hard for You
This ain't too hard for You
And this ain't too hard for You
This ain't too hard for You
Feeling like my burdens falling on me
But I know I will cast them upon Thee
This ain't hard for You

I know, this ain't hard for You
I know, this ain't hard for You
I know, this ain't hard for You
I know, this ain't hard for You
I know, this ain't hard for You

And God, You will come through
God, You will come through
God, You will come through

'Cause this ain't hard for You
This ain't hard for You
This ain't hard for You
Father

Goodbye until next time
