

Do You Remember?

Montell Fish

Do you remember the times we had?
Surely all of them weren't that bad
I'm tryna say, "I miss you baby"
I'm tryna say, "I miss you baby"

Girl I'm trying for you, hey
Girl I'm dying, it's not my fault
Don't know what to do, he-hey
I just wanna feel loved again

I'm tryna say, "I miss you baby"
I'm tryna say, "I miss you baby" (Ah)

Oh, oh
Oh-oh-oh
Please don't leave just yet
You're mighty fine and I'm almost dressed
Please don't leave just yet
You're mighty fine and I'm almost dressed

Do you remember the times we had?
Surely all of them weren't that bad
I'm tryna say, "I miss you baby"
I'm tryna say, "I miss you baby"
(I'm tryna say, "I miss you baby")
