Dreams don't sleep

Alright I'm up in the morning (Okay!)
Saying my prayers
Got Jesus getting me started
Oh man, I feel like a mayor
I'm in community college
I got a few scholarships
But one day man I promise you that they all gon' acknowledge
'Cause my dreams don't sleep
Neither does my King
Eyes on the signs of the time
Don't believe them lies that the guys tryna bring
The fans told me rap, but, I wanna sing like ooohaaa
Bring the fire from the King
Ain't no lines cause the only line
Be the narrow path on the way to my dreams
'Cause my dreams don't sleep (Don't sleep no, no, no)

On my way to my dreams
'Cause my dreams don't sleep
On my way to my dreams

'Cause my dreams don't sleep
Know I gotta' chase those things, right
Know I gotta' chase those things
'Cause my dreams don't sleep...

I'm on the road to my dreams (Yeah!)
No time for playing
I'm on my Westbrook flow
Homie, what is you sayin'?
I ain't got no time for jokes (Nah!)
I get it and go
Bruh, I'm just lettin' you know
Sometimes I switch up the flow
Go and mix it up!
And I ain't really messing witchu doe. Squad up! (Ayeeee!)
I'm talking to the serpent, let you know I'm fired up! (Ayeeee!)
My eyes on the price never chill or lied up! (Ayeeee!)
Like three wise guys watch your star rise up
Watch your star rise up
Primetime
My dreams don't sleep

'Cause my dreams don't sleep
Know I gotta' chase those things, right
Know I gotta' chase those things
'Cause my dreams don't sleep...
