

# Lost

Montell Fish

So many people  
Get a taste of the spotlight  
And then they off and gone  
And they succumb to the evil  
Run away from the people  
That they love  
And oh, Lord  
I don't wanna be that  
You can get me on track  
My Lord  
Won't You keep me on track?  
'Cause I don't wanna none of that, no no  
'Cause I don't wanna be lost

Only You can keep me, God ('Cause I don't wanna be lost)  
Only You can keep me, God  
Lord, only You can keep me, God (Lost, lost)  
Only You can keep me, God (Lost)  
Only You can keep me, God  
Only You can keep me, God ('Cause I don't wanna be lost)  
Only You can keep me, God  
Lord, only You can keep me, God (Lost, lost)  
Only You can keep me, God (Lost)

And there's so many evils  
In this world  
Who am I to escape?  
Am I that great?  
But You said  
If I would trust  
In You, I'll be alright  
Yeah, I'll be just fine  
So I come right to You  
With not much I can give  
My heart is to You  
That's I can give  
The way that I live  
And the way that I move  
May it all be  
A pleasure to You

Only You can keep me, God ('Cause I don't wanna be lost)  
Only You can keep me, God  
Lord, only You can keep me, God (Lost, lost)  
Only You can keep me, God  
Only You can keep me, God  
Only You can keep me, God ('Cause I don't wanna be lost)  
Only You can keep me, God  
Lord, only You can keep me, God (Lost, lost)  
Only You can keep me, God

I surrender all in Your presence  
I just want to be Yours 'cause You know me best  
I will give my heart to forever  
I just want to be found as Your friend  
I surrender all in Your presence  
I just want to be Yours 'cause You know me best

I will give my heart to forever  
I just want to be found as Your friend

Only You can keep me, God ('Cause I don't wanna be lost)  
Only You can keep me, God  
Lord, only You can keep me, God (Lost, lost)  
Only You can keep me, God  
Only You can keep me, God ('Cause I don't wanna be lost)  
Only You can keep me, God  
Lord, only You can keep me, God (Lost, lost)  
Only You can keep me, God
