

# What's It Take To Be A Star?

Montell Fish

What's it take to be a star?  
I know what I am  
I'm a star, I'm a star  
What's it take to be a star?  
I know what I am  
I'm a star, I'm a star

I was the boy who was dreaming about you, girl  
I was the boy who would one day rule the world  
The spirit starts speaking, and I feel it in my body and bone

Voices start to get me  
And I cannot really take control (Oh, no)  
She won't take my love  
She wants something more  
And I'm gonna give it to her  
Oh, no, no, oh, oh, oh  
Oh, no, oh, oh, oh, oh

What's it take to be a star?  
I know what I am  
I'm a star, I'm a star  
What's it take to be a star?  
I know what I am  
I'm a star, I'm a star
