

# First Date

Montell Jordan

Babe, what you wanna do tonight?  
You need a little something in your life  
We should be spontaneous  
Just the 2 of us  
Tonight  
Here's what I had in mind

Step out of your comfort zone  
Put dem sexy heels on  
Ordinary just won't do  
Introducing something new  
Let's turn back the hands of time  
Just push pause and press rewind  
Baby girl may I suggest  
My one request

Act like it's our 1st date  
I'll pick you up at 8  
Pretend like we just met  
When love was so innocent  
We'll dance until your feet hurt  
Ooh, you fill out that skirt  
Girl you look better grown  
I don't see nothing wrong  
Let's act like it's our 1st date

We really gotta a change the scene

Tired of the same ol' same routine  
Something in the atmosphere  
Says get out here  
Tonight  
And baby we just might

Act like it's our 1st date  
I'll pick you up at 8  
Pretend like we just met  
When love was so innocent  
We'll dance until your feet hurt  
Ooh, you fill out that skirt  
Girl you look better grown  
I don't see nothing wrong  
Let's act like it's our 1st date
