

# Once Upon A Time

Montell Jordan

Well here is my story that I tell to you  
You may not believe me but I swear it's true  
I escaped to Havana for a getaway  
In a tiny club with a Cuban band on a Saturday

And that's when I saw her from across the room  
Like something from a movie or a storybook  
She had a short dress with curly hair and chocolate skin  
That's how it all began

I remember when she came into my life  
And all at once-upon-a-time  
Love was in the air  
Just like an ocean breeze  
And we were dancing to the sweetest melodies  
I held her in my arms until she danced into the night  
It happened all at once-upon-a-time  
Once upon a time

Hifuela mijo tell me what happened next

The next day I was walking to the marketplace  
I passed by the cathedral so I stopped to pray  
I imagined this journey without my friend  
And just like an angel she appeared again  
But before I could ask her why she had gone  
The Padre started yelling that "She's the one"  
And suddenly the Policia were everywhere with chaos in the air

I remember when she had to say goodbye  
And all at once-upon-a-time  
I could not believe they said she was a thief  
And I stood there as they drove her away from me  
And what was I to do, now they've accused her of a crime  
It happened all at once-upon-a-time

I remember when I couldn't sleep that night  
And all at once-upon-a-time  
I had to find a way to bring her back to me  
So I made a plan of how to set her free  
And so tomorrow night, mi amore I will find  
It happened all at once-upon-a-time  
Once upon a time

So tell me, how did you get outta there?

He disguised himself in sheets  
I waited for the guards to fall asleep  
Snuck into the tower, took the keys  
And then I told the girl, stick close to me  
He was in a sword fight 'till the death  
Everyone that watched just held their breath  
And then he ran  
I ran  
Jumped  
I jumped  
Climbed

Faster and faster and faster

Guards, stop him! Don't let him get away, Guards!

I remember when she came back in my life  
And all at once-upon-a-time  
We made our getaway to another time and place  
We were riding while the tears rolled down her face  
She knows I can not stay so we'll say our goodbyes tonight  
It happened all at once-upon-a-time

I remember when he came into my life  
Love was in the air like an ocean breeze  
Sweetest melodies  
Until she danced into the night  
It happened all at once-upon-a-time  
Once upon a time
