

Throwback

Montell Jordan

Daddy... How did you and mommy meet?

Back in the days when we were young
I reminisce on before
But today, we sit and listen with our kids again

If I had a time machine
I'd Michael J. Fox that thing
And go back, go back, go back
To when we first met, first met, first met, yeah
Before you walked up in the door
Before we ever hit the floor
And you wouldn't give me time
Cause I hadn't crossed your mind
No
Trying to talk to you
Like woo woo woo
Paying me no attention what I'm supposed to do
I'll do the running man
To see you smile again (Yeah)

Oh I really wanna go back, yeah
To the way it used to be
When you fell in love with me, yeah
All I wanna do is go back, yeah
Our love's a throwback
I wanna go back
Yeah, yeah, yeah

Our first date, you and me
We agreed to disagree
I was on that Boys II Men
And you was on that Jodeci then
We talked all night about the things loved and who we'd be
And girl It's funny now
But you sure made it hard on me
Trying to talk to you
Like woo woo woo
Paying me no attention what I'm supposed to do
That's how it all began
But that's not where the story ends

Oh I really wanna go back, yeah
To the way it used to be
When you fell in love with me, yeah
All I wanna do is go back, yeah
Our love's a throwback
I wanna go back
Yeah, yeah, yeah

I'm willing to put in the work that it takes to make you mine (Make you mine)
)
I did it before, and you know that I'll do it every time (Every time)
Ready to make sure we do what it takes to stay best friends
So we can fall in love
Again, and again and again
Ooh! Baby! I throw it back!

Oh I really wanna go back, yeah
To the way it used to be
When you fell in love with me, yeah
All I wanna do is go back, yeah
Our love's a throwback
I wanna go back
Yeah, yeah, yeah

Back in the days when we were young
I reminisce on before
But today, we sit and listen with our kids again
Back in the days when we were young

Oh I really wanna go back, yeah
