

Valuable

Montell Jordan

You don't know what you're worth
I know it's hard to see girl
But please hear it from me girl
And believe me you're a queen girl
I know sometimes it hurts
But the hurt doesn't define you
You can put it all behind you
Girl I'm here to remind you
Every tear since your birth
It doesn't go unnoticed
All his promises, you hold it
It's your story, He wrote it

You don't have to be sad no more
You don't have to be mad no more
You don't have to feel bad no more
No, cause you're valuable
You don't have to be sad no more
You don't have to be mad no more
You don't have to feel bad no more
No, cause you're valuable

Listen girl, it's not complicated
I'm so proud, I'm so proud you made it
And when I say that you made it
I'm trying to say you're the greatest
I don't want a hot girl
I wanna find a lady
And girl you should know that you're more than enough
All of your life, should be living it up
Standing ovation, I'm giving it up
Giving it up for you
Cause you're worth it
You deserve it
I'm at your service

You don't have to be sad no more
You don't have to be mad no more
You don't have to feel bad no more
No, cause you're valuable

You don't have to be sad no more
You don't have to be mad no more
You don't have to feel bad no more
No, cause you're valuable

Don't pay attention to them things you see on TV
Social media can't tell you who you supposed to be
Your identity, is from the Father
So to my guys out there let's think smarter
And SPEAK LIFE into that woman beside you
The mamas and the grand mamas praying to guide you
The daughters that you love that's gon' come behind you
Your sisters and the aunties I'm here to remind you
Ladies... only God define you
And if you get that
There ain't no telling where you could be at

The enemy tremble when he see you like that
Cause God got your back

You don't have to be sad no more
You don't have to be mad no more
You don't have to feel bad no more
No, cause you're valuable
You don't have to be sad no more
You don't have to be mad no more
You don't have to feel bad no more
No, cause you're valuable

You're the best thing on this earth
You don't know how much you're worth
Well I'm here to let you know
That you're valuable
Yeah, yeah
Yeah, yeah
You should know what you're worth
