

# I Got Drunk

Montgomery Gentry

I got drunk so sue me  
I made up my mind to not give a damn  
I tried to forget the way that you do me  
Yeah, I got drunk cuz I'm your man

It's not like I found someone else I could hold  
To make up for not holding you  
It's not like I went out and painted the town  
It's not like I was untrue

I got drunk so sue me  
I made up my mind to not give a damn  
I tried to forget the way that you do me  
Yeah, I got drunk cuz I'm your man

What gives you the right to stay out all night  
Crawl in and lay down the law  
We both know that you weren't alone  
That's the reason that you didn't call

So I got drunk, sue me  
I made up my mind to not give a damn  
I tried to forget the way that you do me  
Yeah, I got drunk cuz I'm your man  
Yeah, I got drunk  
Well, I still am  
I still am
