Trying to Survive

Montgomery Gentry

I've been lookin' for a sign
Runnin' through the rain
Shiver to the bone
But I still can't shake the pain
I've been lookin' for a sign
Rollin' on the ground
What did I do today
Well, I can't remember now
I'm just tryin' to survive
The best way I know how
My heart just keeps on wanting
The one who doesn't want me now
So what if I go crazy
Goin' there keeps me alive
Livin' makes it clear
I'm just stuck right here
Tryin' to survive
But I wont stay down long
And I'll be back again
I'll even learn to smile
Hey, I just wish I knew when
I'm just tryin' to survive
The best way I know how
My heart just keeps on wanting
The one who doesn't want me now
So what if I go crazy
Goin' there keeps me alive
Livin' makes it clear
I'm just stuck right here
Tryin' to survive
So, what if I go crazy
Goin' there keeps me alive
Livin' makes it clear
I'm just stuck right here
Tryin' to survive
Yeah, livin' makes it clear
I'm just stuck right here
Tryin' to survive
