

## Money Song

Monty Python

I've got ninety thousand French francs in my fridge  
I've got lots of lovely Lire  
Now the Deutschmark's getting dearer  
And my dollar bills would buy the Brooklyn bridge

There is nothing quite as wonderful as money  
There is nothing quite as beautiful as cash  
Some people say it's folly  
But I'd rather have the lolly  
With money you can't make a splash

There is nothing quite as wonderful as money  
(money money money)  
There is nothing like a newly ninety pound  
(money money money)

Everyone must hanker for the butchness of the banker  
It's accountancy that makes the world go round  
(round round round)

You can keep your Marxist ways  
For it's only just a phase  
For it's money makes the world go round  
( money money money money money money money money money )
