

# Year Zero

## Moon Taxi

Getting out while we can  
Waves are crashing on the sand  
Wash away with the tide  
Or walk away right by my side

We're on our own  
You and me together  
We will make it known  
And sing out forever

Someday, someday  
Out of the dark we go  
Someday, someday  
Into the year zero  
Oh oh, oh oh  
Into the year zero  
Oh oh, oh oh, oh oh

Pick me up when I'm down  
Get my feet back on the ground  
Holding on with our hands  
I need you here to help me stand

We're on our own  
You and me together  
We will make it known  
And sing out forever

Someday, someday  
Out of the dark we go  
Someday, someday  
Into the year zero  
Oh oh, oh oh  
Into the year zero  
Oh oh, oh oh  
We'll do it on our own

Oh ooh oh, oh ooh oh, oh oh  
Oh ooh oh, oh ooh oh, oh oh

Someday, someday  
Out of the dark we go  
Someday, someday  
Into the year zero  
Oh oh, oh oh  
Into the year zero  
Oh oh, oh oh  
We'll do it on our own

Oh ooh oh, oh ooh oh, oh oh  
Oh ooh oh, oh ooh oh, oh oh  
Oh ooh oh, oh ooh oh, oh oh  
Oh ooh oh, oh ooh oh, oh oh
