Do you think about, think about-

Do you think about, think about, think about me?

(I) Think about, think about you (You, you, you)

If you think about, think about, think about me ('Bout me)

Do you think about, think about, think about me ('Bout me)

Do you think about, think about, think about me ('Bout me)

Are you down, down, down, down?

Do-do-do-do-do-down, down

Do, do

Do, do, do, do

Are you down, down, down, down?

Do-do-do-do-do-down, down

Just driving, driving anywhere

Let's go, go "Vroom-vroom-vroom"

Do you think about, think about, think about me?

Do you think about, think about, think about me?

Dive to the paradise

Do you think about, think about, think about me?

Do you think about, think about, think about me?

Do you think about, think about, think about me?

Do-do-do-do-do-down, down

Do, do

Do, do, do, do

Are you down, down, down, down?

Do-do-do-do-do-down, down

Just driving, driving anywhere

Let's go, go "Vroom-vroom-vroom"

What you gonna do? Hop in for now

Anywhere's fine for me

I know what you want from me

I got it all ready

Something special, a guide for you

Pick everything you want

Yeah, baby, I just wanna do it all day

It's too early to go home

Even in the middle of the night, it's still bright

I'll dri-i-i-ive

Even the stupid jokes

Do be shining when I'm with you

Alri-i-i-ight (Let's go, let's go)

Baby, I love you

Wanna meet up in our dreams?

I think about you until I fall asleep

Do you think about, think about, think about me?

(I) Think about, think about you (You, you, you)

If you think about, think about, think about me ('Bout me)

Come here right now (Come on right now)

Are you down, down, down, down?

Do-do-do-do-do-down, down

Hongdae, Seongsu
Itaewon, anywhere's fine
Are you down, down, down, down?
Do-do-do-do-do-down, down
Just driving, driving anywhere
Let's go, go "Vroom-vroom-vroom"

Wait a minute, wait a minute, babe
I know you already know all about it, tell me (I like it)
You're making me curious
Something special, it feels like
Something's about to start, I know (Oh-oh)
You can do it all day or all night

Baby, I love you
Wanna meet up in our dreams?
I think about you until I fall asleep
Do you think about, think about—

Do you think about, think about, think about me?
(I) Think about, think about you (You, you, you)
If you think about, think about, think about me ('Bout me)
Come here right now (Come on right now)

Are you down, down, down, down?

Itaewon, anywhere's fine
Are you down, down, down, down?
Do-do-do-do-do-down, down
Just driving, driving anywhere
Let's go, go "Vroom-vroom-vroom"

The wind is gently blowing
Let's ride that wave and
Dive to the paradise
Our very own connection
It's getting deeper and deeper
Do you think about, think about, think about me?

Do you think about, think about, think about me?
(I) Think about, think about you (You, you, you)
If you think about, think about, think about me ('Bout me)
Come here right now (Come on right now)
