

April Fool's Day

Moonchild Sanelly

I wanna be proposed to on April Fool's Day
So when I say no, I can say I was played
These niggas are not serious, they just don't want to spend
Then come back with demands and just ask you to build
Oh no, invest, don't request
Don't be a pest just like the rest
Not a conquest, I might quench your thirst
Your story's straight 'cause I'm not straight
I am kinda strange, just like the range
Wanna engage, but you out here playing

Ithi maka hambe, ithi, ithi maka hambe (Itshoo)
Ithi, ithi maka hambe, ithi, ithi maka hambe (Itshoo)
Ithi maka hambe, ithi, ithi maka hambe (Itshoo)
Ithi, ithi maka hambe, ithi, ithi maka hambe (Itshoo)
Ithi maka hambe, ithi, ithi maka hambe (Itshoo)
Ithi, ithi maka hambe, ithi, ithi maka hambe (Itshoo)

Never, never, never will I ever give it up to a nigga with a ch
eck that is lower
'Cause I know uzondinika
And for me that's a downer, that's a problem
Inkinga, hunny, hambo builder
Never, never, never will I ever give it up to a nigga with a ch
eck that is lower
'Cause I know uzondinika
And for me that's a downer, that's a problem
