

# Falling

Moonchild Sanelly

I'm scared of falling, scared of losing  
Bitch, I know my family looking  
I'm scared of falling, scared of losing  
Bitch, I know my family looking

I'm not looking for love  
I'm not looking for boys  
I'm not looking for clout  
I'm not rocking that boat  
I'm just happy with mines  
And I'm taking their dough though  
But that's just not enough  
I mean  
I just bought me a house

I make them better, then they turn bitter  
I enter sweet, then I leave sour  
I love them hot, they leave me cold  
I bring the light, they switch them off  
"It's not my baby," that's what he said  
He kicked us out without a test  
I had to find a home for kids  
But now I'm winning  
So kiss my tits

I'm not looking for love  
I'm not looking for boys  
I'm not looking for clout  
I'm not rocking that boat  
I'm just happy with mines  
And I'm taking their dough though  
But that's just not enough  
I mean  
I just bought me a house

I'm scared of falling, scared of losing  
Bitch, I know my family looking  
I'm scared of falling, scared of losing  
Bitch, I know my family looking

Bathe ndingawoyik' amandla wam

Ndiyabeve mna  
Ndiyabeve mna  
Bathe ndingawoyik' amandla wam  
Ndingabalek'amandla am

I'm not looking for boys  
I'm not looking for clout  
I'm not rocking that boat

But that's just not enough
