

Uyi rubber, ndiyi pencil
Uyi, uyi sugar, ndiyi coffee
Uyi, uyi nkomo, ndilu bisi
Uyi, uyi cutie, ndiyi hottie
Usisonka, I am toasting
Uyi, uyi tshwala, I am dashing
Uyi usi stoner, I am beming
Uli tekkie, I am stepping

(Uli, uli, uli)
(Uli, uli, uli, uli, uli)
(Uli, uli, uli, uli, uli)
(Uli, uli, uli) Ayy
(Yeah, yeah, yeah, yeah)

Seng'khathele, seng'khathele ung'buza imbuzo
Ang'funi ok'ningi ngifuna ukuza
But how the hell it gets to the club and you are sola? (Outta h
ere)
Baby girl, let me be your Blxckie and it's so cold
Ngik'bambisa udonga, hey, yazi angi kholwa
Kudala ngik'landile, I feel like a stalker
Swear to God if I get you, no one else will take your place
And, baby girl, you can be the sneaker, I'll be the lace

Uyi rubber, ndiyi pencil
Uyi, uyi sugar, ndiyi coffee
Uyi, uyi nkomo, ndilu bisi
Uyi, uyi cutie, ndiyi hottie
Usisonka, I am toasting
Uyi, uyi tshwala, I am dashing
Uyi usi stoner, I am beming
Uli tekkie, I am stepping

(Uli, uli, uli)
