

Change Your Mind

Moonchild

I have chased the thoughts
And back again
Hopin' for some truth
Oh, the thickest lines
Point to the end
And oh, you love me
And, and do you
Wind and glisten have your heart
To fall in love is patience art
Steady feet will find a way
Just keep saying it's ok

I'm scared of loving you
I tried to stop
But there's nothin' I can do
I'm gonna give you the best of my love
Pray you change your mind
Pray you change your mind

Oh, I
Change is gonna come
It's playin' loud and strong
And from the way you're lookin' at me
How could it be wrong?
Happiest and lowest down
Uncertainty, familiar sound
I won't open up the door
But I can't take it anymore

I'm scared of loving you
I tried to stop
But there's nothin' I can do
I'm gonna give you the best of my love
Pray you change your mind
Pray you change your mind

I'm givin' you so many reasons
To stay
Showin' you the joys of love
And I'll find another thousand ways
I can't, I can't, and I want to
Maybe I'm the fool
Maybe I'm the fool

Oh, I'm scared of loving you
Oh, I tried to stop
But there's nothin' I can do
I'm gonna give you the best of my love
Pray you change your mind
Pray you change your mind
Hey, I'm scared of loving you
Hey, I tried to stop
But there's nothin' I can do
I'm gonna give you, baby
I'm gonna give you the best of my love
Oh, I've tried, I've tried

I've tried to stop
There's nothin' I can do
I've tried to stop
There's nothin' I can do
There's nothin' I can do
