

I'll Make It Easy

Moonchild

A smile in the morning
These lips to end the day
I'm not that other woman
That made you so afraid

I'll make it easy
Lemonade on a summer's day
I just want to love you
Somehow we'll find a way

I didn't come to change you
You're fine as you could be
Won't spend my day a wondering
Just come on home to me cause

I'll make it easy
Lemonade on a summer's day
I just want to love you
Somehow we'll find a way

Oh, all I wanna do is love you baby

And if it feels right
For you to say goodbye
Go ahead, I'll find another
Who loves the easy life

I'll make it easy
Lemonade on a summer's day
I just want to love you
Somehow we'll find a way
