

Throwback

Moonchild

'Cause I like the attention you're giving me
Oh, the way you look when you talk so sweet
'Cause I like the attention you're giving me
Makes me weak

Gettin' used to the way you say my name
Across the line most every night
Sayin' come on over baby I need you again
Makin' up some silly reason why

I'll admit I thought I could resist your love
'Cause I've crossed that bridge before
But suddenly sitting here don't feel like quite enough
When I know the heaven that's in store

'Cause I like the attention you're giving me
Oh, the way you look when you talk so sweet
'Cause I like the attention you're giving me
Makes me weak

I don't expect you to understand
What keeps me knocking at your door
When I told you it's so wrong again and again
But it's your attention that makes me so unsure

'Cause deep down I'd hate to see you with somebody new
It's not fair the way I feel
Told myself I'd never be a girl that's untrue
Too much of a good thing and I'm lost in what's real

'Cause I like the attention you're giving me
Oh, the way you look when you talk so sweet
'Cause I like the attention you're giving me
Makes me weak
