

Can't Stop

Moonstar88

You don't know how hard it is for me
Just to be loved, oh oh oh
This is not what my heart tells me so, oh oh oh, no no no

And it's not ok for me to slip away
It's just so hard to keep this feeling
I don't want to play

I don't know what to do
All I want is to appear to stop thinking of you
It will take a while, this ain't no denial
I just want to stop thinking of you
We can't be together

When you called last night
I knew I had to say goodbye
My eyes could be a mirror of deceit
As you walk away, but there's no other way

[?]
Though it's hard for me to see clear
I don't want to say

I don't know what to do
All I want is to appear to stop thinking of you
It will take a while, this ain't no denial
I just want to stop thinking of you
We can't be together

And it's not ok for me to slip away
But it's just so hard to keep this feeling
I don't want to play

I don't know what to do
All I want is to appear to stop thinking of you
It will take a while, this ain't no denial
I just want to stop thinking of you
I don't know what to do
All I want is to appear to stop thinking of you
It will take a while, this ain't no denial
I just want to stop thinking of you
We can't be together
