

## Fear

Moonstar88

I am surrounded by these fear  
It gripped my soul, till I can't hear  
Why it filled my veins  
I turned back from your sweet face  
And then falling to the pit of that  
same nightmare you na di keep  
But you stayed, you always stay  
You will never leave me  
That's what you always say  
Why do you keep on loving me  
that way?  
And so it goes, your words keep  
touching my soul  
My heart turned from stone, to a  
new one that shines like gold  
Now I'm falling down  
Face with a frown  
Cause I can't take all that shame  
I'm feeling down, feeling low  
And I can't take it anymore  
This guilt is killing me  
Save my soul, take control
