

Lonely Tree

Moonstar88

I'm a lonely tree, standing in a corner still
Waiting for the summer day
But I can feel the rain
But who cares, if I cry, a thousand cries
Nobody would even try to talk to me

I hope someday, that my life will be okay
Even if for just one day
For just one day

Would you even try to have a cup of tea with me
Would you even dare to talk about my misery

I hope someday that my life will be okay
Even if for just one day

Would you even try to have a cup of tea with me
Would you even dare to talk about my misery
Would you even try to have a cup of tea with me
Would you even dare to talk about my misery
