

Dove (i'll Be Loving You)

Moony

Why can't he give her his love
No more again
Tears on her face, the dove
She cries, she knows
She won't be able to fly
Away from him
She'll look a red rose in the spring
No she won't be able to sing
Songs of love

I'll open up my heart
I'll be loving you forever and ever
I'll be part of you
In the way I do
Come into my life so I can sing

And if she questions the sun
Why, why me
The sun doesn't answer
Oh God, can you help me
The answer is easy my love
You've built your own jail
You've always been part of the sky
So why d'you keep staying by his side
Away from me

I'll open up my heart
I'll be loving you forever and ever
I'll be part of you
In the way I do
Come into my life so I can sing

I'll be loving you forever and ever
I'll be part of you
In the way I do
Come into my life so I can sing

She's a white dove
An angel in disguise
She fell in love with the man
But this man won't give back her love

So this is her cry
This is her cry
This is her cry

I'll open up my heart
I'll be loving you forever and ever
I'll be part of you
In the way I do
Come into my life so I can sing

I'll be loving you forever and ever
I'll be part of you
In the way I do
Come into my life so I can sing

I'll be loving you forever and ever
I'll be part of you
In the way I do
Come into my life so I can sing
